First, when I visited Dalkeith Primary School, visited how the teacher's method by using English. Every teacher has different method and style based on students' condition. The teachers in Dalkeith Primary School very friendly and give me a big contribution especially in teaching and learning method.

Then, one interesting thing is "assembly day" that showing about students' creativity (non academic).

Beside I observed about teacher's method, I also introducing my school in Pegadungan (TK Widya Kumara Graha and SD Negeri 2 Pegadungan) and share some photos related with my students' activity and some support things from Dalkeith Primary School. I also taught students one Balinese dance (wirayuda dance) and how to make "canang"

Second, went to interesting place like went to Kings Park, Yunderup, Peel Zoo, Art Gallery to Aboriginal Art, Fremantle Prison, Yanchep national park, Caversham, Market, AQWA's Shipwreck Coast, etc. I think every place strong memorial, like when I visited YCaversham. At the

The fresh air make me relax. Then when I went AQWA's, I felt like in the undersea because looked a lot sea animal like shark, starfish, jellyfish, etc.
